

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 660 - HB 924

March 25, 2011

SUMMARY OF BILL: Removes the provision in current law which requires that certain highway signs designating memorial highways for state law enforcement officers killed in the line of duty shall be paid from the Highway Fund, subject to appropriation by the General Assembly.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The costs for memorial signs will remain covered under Tenn. Code Ann. § 54-1-133.
- This legislation removes conflicting language.
- According to the Department of Transportation, removal of this provision will have no fiscal impact on departmental revenue or expenditures.
- Deleting the authority to pay for signs through this provision in the code will not eliminate the cost for the signs. Legislation may still be introduced requiring the state to pay for these signs even if it is not done under the authority provided by the code section deleted by the bill.
